Accommodations will be divided into three categories with broader eligibility criteria.

### Accessibility Features
Available to all students who need them.

There is no need to document these supports as they are available to everyone.

### Embedded Features
Color, Zoom, Guideline

### Accessibility Features
- General Reminders to Stay On Task
- Scratch Paper
- Highlighter
- Individual Administration
- Minimize Distractions
- Small Group
- Read Test Aloud to Self
- See PowerPoint from TETN #43174 for additional features

### Designated Supports

#### Formerly Type 1 Accommodations
The appropriate team of people at the campus level has determined and documented that the student meets the revised eligibility criteria.

#### Student Specific Customizable Supports
1. Text-to-Speech
2. Language and Vocabulary Supports
3. Content Supports

### Designated Supports Requiring TEA Approval

#### Formerly Type 2 Accommodations
The appropriate team of people at the campus level has determined student eligibility and submitted an accommodation request form (ARF) to TEA.

### Designated Supports Requiring TEA Approval

#### Complex Transcribing
#### Math Scribe
#### Extra Day
#### Photocopy
#### Other
#### Paper Copy w/ Online Test

---

**TEA is updating the STAAR resource webpages. The triangle may go away.**

---

**You may select one, two or all three of the customizable supports.**

---

**Testing changes will be effective for Spring 2017 Administrations.**

---

**There is no more STAAR A so there is no longer an eligibility form.**
