Other Continued:
Texas Student Data System (TSDS) Updates

**Early Childhood Data System (ECDS):** ECDS was formerly known as the Kindergarten Readiness program. In the past, testing data for students in Kindergarten and Pre-Kindergarten were submitted via the OZ system. Beginning this summer, data submissions are being submitted to TEA via TSDS.

- **Kindergarten:**
  - 2013-14 Data Submissions are in progress - Due Date August 31st
  - 2014-15 Data Submissions – Tentatively scheduled for late Fall 2014
- **Pre-Kindergarten:**
  - Two optional data submissions for school years 2012-13 and 2013-14
  - Submission window for both: August 1st through October 31st

**Student GPS (Dashboards):** Four of five ESC-20 early adopter Districts/Charters have loaded dashboard data for 2013-14 school year. Our early adopters in production are John H Wood Charter, Ft. Sam ISD, Jubilee Academic Center, and Southwest ISD. The fifth early adopter, Judson ISD, is in progress and should have their dashboard in production this fall.

TEA and ESC-20 have sent e-mails to an identified group of potential dashboard users for the 2014-15 school year. Five districts (Devine ISD, Dilley ISD, Jourdanton ISD, Leakey ISD and Sabinal ISD) have responded and are scheduled to begin the dashboard process. If any of the remaining 23 are interested, the survey in the e-mails must be completed and approved by TEA. TEA’s due date is August 15th.

The list of Student GPS adopters by year can be located on the TSDS website, [http://www.tea.state.tx.us/tsds2/](http://www.tea.state.tx.us/tsds2/) under About > Deployment. Select TSDS Rollout Plan and studentGPSTM Dashboards Rollout Plan.

**PEIMS:** Three District/Charter PEIMS Early Adopters (Ft. Sam ISD, John H Wood Charter, and Jubilee Academic Center) will participate in TSDS PEIMS in 2014-15. This will be the only year for dual PEIMS reporting, via TSDS and PEIMS Edit+.

In 2015-16 and 2016-17, all remaining Districts/Charters will transition from PEIMS Edit+ to TSDS PEIMS reporting. The list of PEIMS districts/charters and transition year are located on the TSDS website, [http://www.tea.state.tx.us/tsds2/](http://www.tea.state.tx.us/tsds2/) under About > Deployment. Select the TSDS Rollout Plan and TSDS PEIMS Rollout Plan.
