Volunteering is a great summer activity as a family or for your teen!

**Why volunteer?**
With busy lives, it can be hard to find time to volunteer. However, the benefits of volunteering can be enormous. Volunteering offers vital help to people in need, worthwhile causes, and the community, but the benefits can be even greater for you, the volunteer. The right match can help you to
Volunteering 101: How helping others helps your child

The Food Bank needs volunteers to prepare summer meals for kids and to help in their community kitchen.

The Food Bank’s Million Summer Meals program provides nutritious meals and snacks to children at hundreds of sites across our community.

When school is out, meals are out. For too many kids, the summer marks the start of a long, hot and hungry school break. With 1 in 4 children in our community experiencing food insecurity, over 200,000 students in Bexar County are at risk of going hungry this summer.
