Student Success Initiative Training

Overview of the Law & AIP Development

This training provides an initial introduction to requirements of the Student Success Initiative for 5th and 8th grade students. The training will also offer a refresher for campus administrators regarding requirements of parent notification, development of an Accelerated Instruction Plan, the responsibilities of the Grade Placement Committee, and requirements for Special Education students. Includes a step-by-step explanation of the SSI process beginning with the first administration through the end of the third administration for the reading and math.
