San Antonio Lighthouse for the Blind & Vision Impaired

Children’s and Transition Programs
Our Mission

Empowering children and teenagers who are blind and visually impaired by emphasizing the elements of the Expanded Core Curriculum and preparing them for the world of work.
The Expanded Core Curriculum

- Assistive Technology
- Career Education
- Compensatory Skills
- Independent Living Skills
- Orientation and Mobility (O&M)
- Recreation and Leisure
- Self-Determination
- Sensory Efficiency
- Social Interaction Skills
Children’s Program Trainings

• **Student Trainings**---hands on trainings, camps covering the ECC
• **Parent Trainings**---support groups, networking events, training activities for parents only
• **Family Trainings**---trainings for the whole family unit
• **School District Trainings**---Networking and training for families from same school district
Crossing the Bridge
