PERFORMANCE

Area	Description	Rating	Grade
Overall	“The overall grade is based on performance in three different areas, or domains, which are noted below.”	97 out of 100	Met Standard
Student Achievement	“Student Achievement measures whether students have met grade-level expectations as measured by the STAAR test. For high schools, it also considers graduation rates and how prepared students are for life after high school.”	96 out of 100	Met Standard
School Progress	“School Progress shows how students perform over time and how that growth compares to similar schools.”	96 out of 100	Met Standard
Closing the Gaps	“Closing the Gaps shows how well different student groups within a school are performing.”	100 out of 100	Met Standard

DISTINCTION DESIGNATIONS

“Distinction designations are awarded for achievement in several areas and are based on performance relative to a group of schools of similar type, size, grade span, and student demographics.” The Tool Elementary School received distinction designations in the following areas due to it’s academic performance in the 2017—2018 school year:

Academic Achievement in Mathematics

Academic Achievement in Science

Academic Achievement in English Language Arts / Reading

Postsecondary Readiness

Top 25 Percent: Comparative Academic Growth

Top 25 Percent: Comparative Closing the Gaps
