Dyslexia TSDS PEIMS Updates

- Dyslexia Indicator
- **New:** Dyslexia Services Code
- **New:** Dyslexia Risk Code

*Two new codes are included in Summer data submission.*
Existing TSDS PEIMS Requirement
Beginning with the 2013–14 school year districts have been required to report the number of students enrolled in the district who are identified with dyslexia or related disorders to TEA through TSDS PEIMS.

Reporting Updates for 2019-2020
When a student is coded with dyslexia or related disorder in TSDS PEIMS, districts will now indicate whether dyslexia services are provided.
Schools report the following (for a student identified with dyslexia or a related disorder):

- **00** Does not receive services for dyslexia or a related disorder or is
- **01** Receiving services for dyslexia or a related disorder under special education through IDEA or Section 504 or
- **02** Receiving instruction that meets applicable dyslexia program criteria established by the SBOE and is provided by a person with specific training or
- **03** On the basis of having dyslexia or a related disorder, is permitted to use modifications in the classroom or accommodations in the administration of assessments
How long must a student receive dyslexia services before districts are entitled to receive the HB 3 Dyslexia Allotment?

Districts are entitled to receive the HB 3 Dyslexia Allotment when a student is identified with dyslexia or a related disorder and receives dyslexia services any time during the school year as indicated in TSDS PEIMS.
