Due to the level of complexity and diversity that is packed into this bill, it is recommended that the LEA consider a HB 3 Task Force to lead the process of deconstructing the bill. You might consider a team of individuals with expertise in specific programs, finance, human resources, and PEIMS. It is recommended that this team meet weekly to analyze components of HB 3 in alignment with the release of the HB 3 video series. Each video along with supporting resources/tools is posted to the [HB 3 website](#) on Thursday of each week.

*The second page of this template is a fillable PDF that your team can use as a tool in deconstructing each component of the bill.
