San Antonio Region 20 Lions Club

As a Lion, you'll:

- ❖ Help your community
- ❖ Gain valuable skills
- ❖ Make an impact on people's lives, both locally and internationally
- ❖ Learn to be a leader – and lead a respected organization
- ❖ Network with business people in your community and around the world
- ❖ Energize your life and have fun

You'll grow personally and professionally and you'll know that what you do is worthwhile and appreciated.

When it comes to meeting challenges, our responsibility is simple: We serve.

In 205 countries, in hospitals and senior centers, in regions battered by natural disaster, in schools and in eyeglass recycling centers, Lions are at work, helping, leading, planning and supporting. Because we're local, we can serve the unique needs of the communities where we live. And because we're global, we can address challenges that go beyond borders.

We want everyone to see a better tomorrow.

That's why we support sight programs and services including vision screenings, eye banks and eyeglass recycling, provide eye care services to those at risk of losing their sight, and raise donations through fundraising campaigns.

We believe everyone deserves a healthy life.

From providing health programs that focus on hearing loss to supporting efforts to control and prevent diabetes, we're working to improve the health of children and adults around the world.

We empower the next generation.

Whether it's providing volunteer and leadership experiences in a Leo club or sharing a message of peace through our Peace Poster contest, our youth programs invest in the future by reaching out to young people.

We serve local communities – and protect the planet.

From performing hands-on service projects to providing emergency assistance, our community and environmental programs improve our communities – and protect the environment.
