

# Siteimprove Overview

## Location:

Based in Minnesota – USA

Global Headquarters-Copenhagen, Denmark

## Pricing:

Pricing is based on pages scanned. Please see attached spreadsheet. If a District/Charter has additional URLs not listed, then the cost will need to be adjusted. If your information is blank please contact our Siteimprove account manager to get further information on your cost. As of this writing they were still gathering page counts for a few websites.

## Discounts:

Up to 16 districts-15% off

Up to 30 districts-20% off

## Crawling of the websites:

Every 5 days. Results will be emailed to admins. Users can also log into the dashboard which aids in taking the user directly to the error to resolve.

## Customers:

- Over 900 Public Schools – 100 in Texas.
- Other customers: Texas Education Agency, University of Texas, Texas A&M System, the State of Texas and the DIR

## Support & Training:

- Unlimited FREE Support and Training for the life of the contract.
- Training includes generalized ADA trainings.
- Support Hours are 24/7
- Offers an Online Certification Course (Approx. 45 minutes) free of charge.

## Implementation:

Agreed upon between Siteimprove & the District/Charter

## Miscellaneous Information:

- Siteimprove has been used as a website compliance trainer/auditor for many school districts' compliance plans which have been approved by the OCR.
